

Focal Sofa

OVERVIEW

The Focal Sofa is a quintessential lounge sofa offering exceptional comfort, durability and value. Suitable for a wide variety of office applications, the timeless form of the Focal Sofa blends seamlessly into lounge spaces, private offices and reception areas, while contract-grade materials ensure it can withstand years of regular use.

Cushioned but not overstuffed, the Focal Sofa relies on multi-density foam to offer medium-firm support without sacrificing comfort. A classic silhouette can easily unify a room by complementing the pieces around it rather than competing with them.
