# Clamp-On Power

Assembly Guide
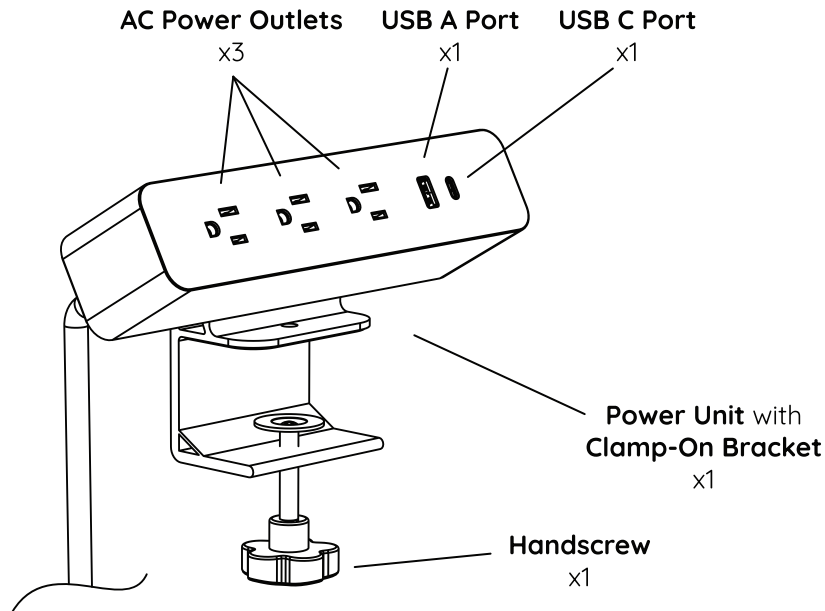

Branch

⚠ Caution

- Make sure to read the guide completely before assembling.

- Check that all components are present before you start the assembly process.

- Use extra caution when installing this product.

- Keep children away from desk power components. There is risk of injury and electric shock.

- Do not open, modify, or change the specifications of this product for any other purpose beyond its intended use. Doing so risks electric shock and voids any warranty claims.

- Keep this manual for future reference.

The new way of working you've been waiting for.
